## COVID-19 update

Hello,

As a valued stakeholder in Victoria's multicultural community, we are sending you the latest translated materials regarding **when and how to wear a face covering, getting tested for coronavirus (COVID-19) and financial support payments for eligible Victorians required to self-isolate.**

The latest stakeholder packs ([getting tested and wearing a face covering available here](#)), ([test isolation and worker support payments available here](#)), contain links to translated materials in 55 languages.

**Supporting people to understand the importance of wearing a mask, getting tested, and the payments they may be eligible for, will help us all get back to normal sooner. Please help keep everyone safe by sharing these materials widely with your networks.**

We readily welcome feedback on how we can improve these materials. Please reply to this email with any suggestions you may have.

Thank you for all of your efforts in this difficult time.

Kind regards

Loc Trinh & Jessica Billimoria
