

COVID-19 update

Hello,

As a valued stakeholder in Victoria's multicultural community, we are sending you an update from the Victorian Government **on the current level of restrictions in place for Victoria.**

With steps to reopening taking place in a staggered approach, it is incredibly important that all Victorians have access to - and know where to find - the latest information on restrictions that are in place.

The latest [stakeholder pack \(available here\)](#) contains links to materials in 56 languages. We have also included links to the materials below for your convenience and ease of sharing:

[Find in-language 'Restrictions are in place' social tiles here](#)

[Find in-language 'Restrictions are in place' audio messages here](#)

We are always seeking to improve these materials, and encourage feedback or suggestions. Please feel free to reply to this email or contact us on the number below.

Thank you for your ongoing support.

Kind regards

Loc Trinh & Jessica Billimoria
